Dear Parents,

*O how I love Your law! It is my meditation all the day. (Ps 119:97)*

This is our prayer for even our youngest of children. In order to aid your preschool children in knowing and meditating on the Word we are asking that they memorize one verse per month. These verses are included in this special verse book just for the little ones and are also included in the verse book for the older children. Please take time to help your children to remember, understand, and live out the truths that they contain. The Word is living and active and is God's appointed means for them to know their God.

In Christ,
